K4T “Cash for Camps”

Exchange Rate: \$3 K4T= \$1 real money

Junior Camp—You can work your way up to 4 different thresholds for money off of junior camp.

1. \$10 off of camp (\$30 in K4T money)
2. \$20 off of camp (\$60 in K4T money)
3. \$30 off of camp (\$90 in K4T money)
4. \$40 off of camp (\$120 in K4T money)

Note: The total price of junior camp is \$60, and the maximum you can earn through the K4T store is \$40 off. Thus, K4T clubbers who earn \$40 off only have to pay \$20 for camp.

Teen Camp—You can work in different thresholds for senior high camp, earning up to \$50.

1. \$10 off of camp (\$30 in K4T money)
2. \$20 off of camp (\$60 in K4T money)
3. \$30 off of camp (\$90 in K4T money)
4. \$40 off of camp (\$120 in K4T money)
5. \$50 off of camp (\$150 in K4T money)

Note: The total price of teen camp varies each year, but it usually is around \$350 (with the early-bird discount, that number is less).
